# CONGRATULATIONS CLASS OF 2019

## VALEDICTORIANS –VALEDICTORIANS– VALEDICTORIANS-VALEDICTORIANS-VALEDICTORIANS

### Elizabeth Keefe

is the daughter of Erick and Ann Keefe. After being involved in softball, basketball, FFA, National Honors Society, Lakeland Leaders 4-H, Hancock Youth Leadership, Band and All Saints youth group, Elizabeth will be heading to

Bradford School to attend their physical therapy assistant program. She will miss seeing her classmates and teachers on a daily basis.

### Eli Palmer

has been active in baseball, basketball, Biglick Buckeyes 4-H, Hancock County Jr. Fair Board, 4-H Camp Counselor, Student Council, and Youth Group at West Independence Church.

The son of Rod and Rhonda Palmer, Eli will be attending the Univ. of Cincinnati to study mechanical engineering. 'Being able to see my friends every day and goof around' is what he will miss about high school.

### Emily Peters

is going to miss her classmates and her teachers as she moves on to Wright State University to study Psychology this fall. The daughter of Josh and Tonia Peters, Emily has been busy with basketball, track & field, National Honor Society, Student Council, the Veterans Day Committee and has acted as a student Aide during her time in high school.

### Kennedy Pratt

will be attending Hillsdale College this fall to major in pre-med. She will also be continuing her basketball career there as well. The daughter of Jamie and

Brooke Pratt, Kennedy has been active in basketball, Student Council, Youth Group, National Honors Society, and Arcadia Cares Day. Seeing her friends every day will be what she misses from high school.

## VALEDICTORIANS –VALEDICTORIANS–

### Sydney Ramsey

is the daughter of Patrick and Jacqueline Ramsey.

The University of Dayton is where Syd will study engineering this fall. High School found her active in volleyball, National Honors Society, Student Council, Hancock Youth Leadership, prom committee, choir and the Latitude 41 Volleyball team. She is going to miss volleyball most of all.

### Breana Reinhart

"..hearing invaluable advice from my teachers, always being surrounded by friends, and having fewer responsibilities than I ever will again" is what Breana will miss most about high school. The daughter of Allen and Kathy Reinhart, she will attend Wright State University to pursue a degree in civil engineering. She was active in Student Council, NHS, softball (+travel team), Arcadia Cares Day, and All Saints Youth Group.

All the best to our graduates!

CONGRATULATIONS!

SALUTATORIAN

### Megan Mock

is the daughter of Adam Mock and Christy Burnett. Megan's high school activities include basketball, volleyball, Student Council, National Honors Society, Veteran's Day and Strike Out Cancer Committees. Kent State is her fall destination to student nursing. Megan will most miss being around her friends everyday.

**Superintendent's Report from Bruce Kidder**

The replacement of the modular classroom is finishing up and should be ready for the upcoming new school year. Kindergarten and 1st grade will be located in these new classrooms. The remaining classrooms in the elementary building will be relocated to allow for a better educational environment. While the construction of the new elementary classrooms is completed the redesign of the high school parking lot will not begin until next summer. We will maintain the same traffic pattern for drop-off and pick-up on the high school side. The elementary drop-off will be open this school year but the back portion behind the buildings will be closed to through traffic and only open for evening events. New LED lights were installed at the football field and the old wooden poles will be removed this fall and replaced with underground service.

There will be an open house for the new classrooms Aug. 15<sup>th</sup> during the meet the team night. If you cannot attend that night and want to see the new additions please call the school and ask for my office and a personal tour can be arranged. During the open house I will have beginning drawings of the high school parking design. This new design will require relocating the arboretum to a new location. This relocation will enhance the school property and provide easier public access to the arboretum. If you would like to be involved in the relocation of the arboretum please contact my office.

I would like to welcome the following new staff members to Arcadia: Lindsey Niese, 7-12 Social Studies, Brandon Fullenkamp, Music, and Lindsey Harmon, Counselor (primarily elementary with secondary support).

## First Day of School Tuesday September 3rd

**PreK-12 Notification System**

Arcadia School will once again use the school-to-family communications service called **PreK-12 Notification**. We will use this service to deliver both emergency and non-emergency messages to you via telephone for 2019-2020 school year. Using PreK-12 Notification, we can quickly contact all families - in a matter of minutes - with urgent news such as school closings, early dismissals, delayed buses or rescheduled activities. We will also use the service to provide timely non-emergency information such as reminders about important meetings or special events at school that involve your children. In the case of school closings, this service is meant to be a compliment to the existing means of communications, TV stations, radio stations, etc. We will continue to utilize ALL of these mediums in the event of a school closure and/or delay.

Your primary phone number will be supplied to PreK - 12 Notification Service. Each family may add up to four telephone numbers. In an emergency the message will be delivered to all of your numbers.

Families that wish to include additional phone numbers may do so by calling the PreK-12 Notification Parent Hotline at 1-800-846-4976. For security reasons, you must call from your Primary phone number to manage your personal emergency contact list.

**Please Notify Us!**

Please report any changes in address and/or phone numbers to the school as soon as possible.

We need to maintain the most current information on each student. Please help us by notifying us of any changes that take place. This guarantees that all correspondence from the school reaches your home as quickly as possible. Many people are opting to use their cell phones as their main line. If you no longer have a 'land line', please let us know.

**If you move within or out of Arcadia School district we need to know** this as soon as it happens. Your cooperation with this is greatly appreciated! We need to be able to contact you in the event of emergencies or notices that effect your children.

**Meet the Fall Teams**
**Thursday,

### Search for Children with Disabilities

School districts across the state of Ohio are participating in an effort to identify, locate, and evaluate all children from birth through twenty-one years of age who may have disabilities. Disability, in this instance, means such conditions as hearing impairments, speech or language impairments, visual impairments, specific learning disabilities, multiple disabilities, mental retardation, emotionally disturbed, other health impairments, autism, traumatic brain injury, and physical impairments.

Public schools have responded vigorously to federal and state mandates requiring the provision of a free appropriate public education regardless of a child's disability. But before school districts can serve children, they must be found. Many children with disabilities are not visible because they do not function in the mainstream of the community, such as children who are homeless and children of migrant families. Also, many unidentified children with disabilities are preschoolers. Parents may not be aware their child has a disability or that there are programs and services available.

The school district will ask for information about the child, asking such questions as: What is the problem? What has already been done about the problem? What background information is available? This information may be collected in several ways including interviews, observations, screening, and testing. This information may be obtained from parents and the student, or from other agencies that have information about the student. This information will be used to decide whether the child has a disability and needs special services.

All information collected will be held in strict confidence and released to others only with parent permission or as allowed by law. For example, the school district will send records on request to a school district or other educational agency in which a student intends to enroll. The parents may have a copy of those records upon request.

The school district will keep a record of all persons who review confidential records with the exception of authorized school employees, or other educational agency personnel. The school will also maintain a list of those employees who may have access to records.

The school district or other educational agency will inform the parents when personally identifiable information collected, maintained, or used is no longer needed to provide educational services to the child. All personally identifiable data will be kept for at least five years or longer if required for audit purposes, or otherwise required by law.

Parents and students have rights in this process. Parents have the right to:

- ◆ Review their child's records;
- ◆ Refuse permission to release information (except as required by or permitted by, law to be released); and
- ◆ Request that information they believe to be inaccurate, misleading, or in violation of their child's privacy or other rights be changed. The district has a process to resolve disagreements about information collected.

The school district has appointed one person to make sure that information about students is kept confidential. Contact your school district board of education office for this person's name.

The school district's policies and procedures for special education are available. Contact the school district superintendent.

The school district operates an Educational Management Information System (EMIS) that assures a practical method of identifying which children are currently receiving special education services and which children are not. Certain data regarding children are maintained within this system.

School districts are interested in meeting the needs of children with disabilities. If you have or know of a child who may have a disability, contact your local school for more information and help.

### IDEA-B FUNDS

The Arcadia Local Schools will once again be receiving Title VI-B Funds for the 2019-2020 year. These funds are used to supplement special education and special needs programs already in place in the school district and county.

This allocation is earmarked to help pay for the special education services Arcadia students receive through the Hancock County Educational Service Center. The school system would like to continue to use its IDEA-B money for this purpose.

If you have any questions or comments pertaining to the use of these funds or our special education programs, please contact the superintendent's office at 419-894-6431.

### HOMELESS STUDENTS

Children who meet the Federal definition of "homeless" will be provided a free and appropriate public education in the same manner as all other students of the District. To that end, homeless students will not be stigmatized or segregated on the basis of their status as homeless and will be assigned to the school serving those non-homeless students residing in the area in which the homeless child is actually living. No homeless student will be denied enrollment based on a lack of proof of residency. No Board policy, administrative guideline, or practice will be interpreted or applied in such a way as to inhibit the enrollment, attendance, or school success of homeless children.

Homeless students will be provided services comparable to other students in the District including:

- transportation services;
- educational services for which the homeless student meets eligibility criteria including services provided under Title I of the Elementary and Secondary Education Act or similar State and local programs, educational programs for children with disabilities, and educational programs for students with limited English proficiency;
- programs in vocational and technical education;
- programs for gifted and talented students; and
- school nutrition programs.

If you need further information, please contact Bruce Kidder at 419-894-6431.

### Student Records and Directory Information

In order to provide students with appropriate instruction and educational services it is necessary for the District to maintain extensive educational and personal information. It is essential that pertinent information in these records be readily available to appropriate school personnel, be accessible to the student’s parent(s) or the student in compliance with law, and yet be guarded as confidential information.

The Guidance Counselor is responsible for the proper administration of student records in keeping with Ohio Law and Federal requirements and the procedures for the collection of necessary information about individual students throughout the District.

Upon request, all records and files included in student’s cumulative file are available to parent(s) or the student (if he/she is over eighteen years of age). This request must be in writing and is granted within even calendar days. No records are to be removed from the school; principal, teacher or other qualified school personnel must be present to explain an of the tests or other material.

All rights and protections given to parents under law and this policy transfer to the student when he/she reaches age eighteen or enrolls in post secondary school. The student then becomes an “eligible student”.

The District provides notice to parents and eligible student annually, in accordance with the procedures set forth under administrative regulations, of the rights held by parents and eligible students under law and this policy. It is the intent of the District to limit the disclosure of information contained in the student’s education records except by prior written consent, as directory information, and under other limited circumstances as enumerated under administrative regulations.

The following rights exists:

- the right to inspect and review the student’s education records;
- the right, in accordance with administrative regulations to seek to correct parts of the student’s education records, including the right to a hearing if the school authority decides not to alter the records according to the parent(s) or eligible student’s request;
- the right of any person to file a complaint with the U.S. Department of Education if the District violates relevant Federal law, specifically the Family Education Rights and Privacy Act (FERPA); and
- the right to acquire information concerning the procedure which the parent(s) or eligible student should follow to obtain copies of this policy, the locations from which copies may be obtained, as well as any fees to be charged for such copies.

The District proposes to designate the following personally identifiable information contained in a student’s education records as “directory information”

- ◆ Student’s name;
- ◆ Student’s address;
- ◆ Student’s photograph;
- ◆ Student’s date of birth;
- ◆ Student’s extracurricular participation; and
- ◆ Student’s weight and height, if a member of an athletic team.

The above information is disclosed without prior written consent, except when the request is for a profit-making plan or activity.

Administrative regulations set forth a procedure for annual notification to parents and eligible students of the District’s definition of directory information. Parents or eligible students then have two weeks in which to advise the District, in accordance with such regulations of any or all items which they refuse to permit as directory information about that student.

To carry out their responsibilities, school officials have access to student education records for legitimate education purposes. The District uses the criteria set forth under administrative regulations to determine who are “school officials” and what constitutes “legitimate educational interests:

Other than requests as described above, school officials release information from or permit access to, a student’s education records only with the prior written consent of a parent or eligible student except that the Superintendent or a person designated in writing by the Superintendent may permit disclosure in certain limited circumstances outlined under administrative regulations (e.g., transfers to another school district or to comply with judicial order or subpoena or were warranted, in a health or safety emergency, etc.).

The District maintains, in accordance with administrative regulations, an accurate record of all request to disclose information from, or to permit access to, a student’s education records and of information disclosed and access permitted.

### **Visitor Policy**

When visiting Arcadia School during school hours, we ask that all visitors use the main entrance, facing Route 12. All other doors in the building are locked. Please 'buzz in' to the appropriate office, then proceed to that office for a visitors pass.

Thank you for your cooperation in helping us to maintain a safe environment for our students and staff.

### **Mission Statement**

The mission of Arcadia Local School is to guarantee all graduates the knowledge and skills to succeed in an ever-changing world.

This will be accomplished by providing an enriched curriculum through innovative and individualized instruction delivered in an outstanding learning environment by a highly qualified staff in partnership with families and community.

### **School Delay, Emergency, Closing Information**

Weather delays and cancellations are a part of our daily routine during the school year. Just a reminder that the safety of our students is our primary consideration when we delay or cancel school or an activity.

We will try to have our decision made by 6:15 a.m.  
 The following stations will be notified of the decision:  
 WFIN-WKXA (1330/100.5)  
 WBVI-WFOB (96.7/1430)  
 WBUCK-WCKY-WPFX-WTTF  
 (106.3/103.7/107.7/1600)  
 TV Channel 11  
 TV Channel 13  
 TV Channel 24

The PreK-12 phone notification system will provide immediate information should a weather or emergency event occur. You may update your contact information at any time by calling 1-800-846-4976 from your primary phone number.
