VALEDICTORIANS - VALEDICTORIANS - VALEDICTORIANS - VALEDICTORIANS

Andrea Dauterman

is the daughter of Kurt and Tonya Dauterman. Andrea was very busy with National Honors Society, volleyball, basketball, golf, track Student Council, ELCA mission trip, Teacher's Aide, Hancock Youth Leadership and

eadership and working on various committees for events happening at the school. Hearing all of the crazy cat stories from Mrs. Tidd, stories from Senor Sponsler Ms. Barr's weekly math jokes and

Mr. Brown's Art class are what Andrea will miss about her time at Arcadia. She will be attending Xavier Univ. to work towards a nursing degree.

has been active in softball, chess club, musical, National Honor Society, cheerleading, marching/concert band, Student Council and Quiz Bowl. The daughter of

Charles and Kristina Grine, Mesa will be attending Wright State University and major in Biology. 'All my friends and teachers' are what she will miss about high school.

SALUTATORIAN

Caity Cramer

is the daughter of Scott and Heather Cramer. Caity's high school activities included basketball,

volleyball, Student Council, softball, National Honor Society, Youth Group, travel basketball and various committees. Ohio Northern University is her fall destination to major in Early & Middle Childhood Education. Caity will most miss being around her friends and bus rides to games. The Elementary and Middle/High School Supply lists are located on the school website under Parent/Student Resources. www.arcadia.noacsc.org

Lea Pessell

is going to miss sports with her friends, and all the teachers at Arcadia. She will be attending the University of Findlay eventually to get her doctorate as an Occupational Therapist. The dauter of Trent and Shauna Pessell, Lea participated

in volleyball, track, National Honor Society, Hancock Youth Leadership and Latitude 41 Volleyball Club. Best of luck Lea!

Justen Stoner

Will be attending The Ohio State University in the fall to study biology. Justen is the son of Troy and Angie Stoner. He will miss the close relationships he

made with friends, teachers and coaches from his involvement in football, baseball, track, Student Council, National Honor Society, National Technical Honor Society, Hancock Youth Leadership and Millstream career Center.

All the best to our graduates! CONGRATULATIONS!

First Day of School Tuesday, September 8th

Superintendent's Report from Bruce Kidder

I would like to thank the staff, students and parents for all their hard work to help the district finish last school year. It was a challenging time for everyone involved and I truly appreciated all the effort and support from the Arcadia School Community.

With the help from the staff, community, area superintendents and the Hancock County Health Department Arcadia Schools will open under the following plan that meets the local health department guidelines. First, we will be following the recommended weekly color system used by the State Department of Health of determine our educational options:

Yellow- In Person Learning at school Monday through Friday.

Orange- Hybrid Option that will have half the students here on Monday and Tuesday with the other half attending Wednesday and Thursday. Friday all students will be on-line with some students receiving Intervention Services and Title Services at school on Friday. You will be contacted as to which half your family is assigned.

Red- All On-line Instruction every day for all students. Increased Intervention and Title Services will be offered throughout the week.

Each Thursdays color level assigned to the county will affect what type of instruction will occur the following week. If the level of concern increases Arcadia we start the following Monday at the higher level. If it remains the same we will continue instruction at that level. When the level of concern decreases we will adjust on a rolling 2 week cycle using the highest level of concern to determine type of instruction. Example: 1st week county is Red we are all on-line, 2nd week the county drops to Orange we remain on All on-line (Red), 3rd week county stays at Orange we go to the Hybrid model for Orange, 4th week county drops to Yellow we stay at Hybrid model (Orange), 5th week county stays at yellow we go to 5 day in person, 6th week county is Red we are back to on-line option. Basically it take 2 weeks to drop a level but increases immediately.

Masks will be required for every student when they ride a bus. During the school day Pre K through 12th grade students will be required to wear masks except in certain situations i.e. eating lunch and gym classes.

Arcadia will offer a free on-line curriculum for students that choose to study from home and still be an Arcadia student. The district will monitor student progress and attendance but will not provide academic support or assistance. We will provide laptops and assist with internet access. Parents that are considering this option should contact Mr. Kidder to discuss their individual family concerns and options.

This re-opening plan will be adjusted and modified as needed by Arcadia Local School District to meet the needs of the district as our local situation changes.

Re-opening guidelines from the Hancock County Health Department and the County Schools Districts can be found on the Arcadia School website.

PreK-12 Notification System

Arcadia School will once again use the school-to-family communications service called **PreK-12 Notification**. We will use this service to deliver both emergency and non-emergency messages to you via telephone for 2020-2021 school year. Using PreK-12 Notification, we can quickly contact all families - in a matter of minutes - with urgent news such as school closings, early dismissals, delayed buses or rescheduled activities. We will also use the service to provide timely non-emergency information such as reminders about important meetings or special events at school that involve your children. In the case of school closings, this service is meant to be a compliment to the existing means of communications, TV stations, radio stations, etc. We will continue to utilize ALL of these mediums in the event of a school closure and/or delay.

Your primary phone number will be supplied to PreK - 12 Notification Service. Each family may add up to four telephone numbers. In an emergency the message will be delivered to all of your numbers.

Families that wish to include additional phone numbers may do so by calling the PreK-12 Notification Parent Hotline at 1-800-846-4976. For security reasons, you must call from your Primary phone number to manage your personal emergency contact list.

Please Notify Us!

Please report any changes in address and/or phone numbers to the school as soon as possible.

We need to maintain the most current information on each student. Please help us by notifying us of any changes that take place. This guarantees that all correspondence from the school reaches your home as quickly as possible. Many people are opting to use their cell phones as their main line. If you no longer have a 'land line', please let us know. If you move within or out of Arcadia School district we need to know this as soon as it happens. Your cooperation with this is greatly appreciated! We need to be able to contact you in the event of emergencies or notices that effect your children.

Elementary Update from Dave Golden, Principal

Greetings,

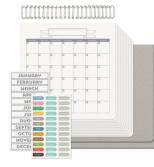

The end of last school year and this summer has been filled with uncertainty as you all know.

Several days and months have been spent waiting for guidance so we can make decisions for the 2020-2021 school year. There has been a great deal of phone calls, texts, emails, zoom meetings and in person meetings in putting our plans together. As you have all learned since March, our plans are fluid as things can change even day to day in how we will instruct children this year. I would like to thank all the teachers, support staff, administrators and Board of Education members who have so diligently worked to put our plans to start school together.

It is important for us to keep in mind, when Governor DeWine came out with the guidelines for starting school; he heavily consulted with pediatric experts in coming to the decision to potentially be able to come back face-to-face. While the academic gains in being here are obvious, it is the mental health benefits of being at school which are proving themselves to be crucial. We have every plan to get our children in the doors as soon as we can, according to the Hancock County Health Department recommendations. As an Elementary, we are waiting with great anticipation to have the children in the doors for the school year. As a staff, we have greatly missed seeing and interacting with the students. They are after all the most significant reason we are in education in the first place. We ask you to keep us in mind, with your fingers crossed that we are able to start the school year well. I wish you all a great end to the summer and start to the fall. Please feel free to email me if you have questions, comments or concerns at goldend@arcadiaschools.org.

Arcadia Events Calendar

On our website, www.arcadiaschools.org, you will notice a calendar link for events. Administrators, Teachers, Advisors, and coaches, are using this to inform everyone of what's scheduled at our school and elsewhere.

If something is canceled, it will show there as well. If you have any questions, please contact the appropriate office.

HS/MS News

As we start the 2020-21 school year it goes without saying that as a school community we are going to be faced with many challenges. However, our staff and administrative team are committed to providing our students with the best educational opportunities available.

Our hope is to have students back in the building face to face to start the school year. As a district our proposed return to school plans will follow the Hancock County Health Department's recommendations. The Ohio Department of Health has established safety levels of the threat of Covid-19. The Hancock County Health Department uses those guidelines to make determinations to set the safety levels for our area. These levels provide directions for school districts to determine how students will return.

Based on those recommendations a return to school plan is being established for our Board of Education to approve. Once it is approved it will be made public. I have included in my article scheduled dates for our return to school. However, these dates may be subject to change based on our return to school plan. If there are changes, phone notifications will be made stipulating new information and schedules have been made available on our school website.

September 1	(Schedule Pick Up & Fee Payment)	11:00-5:30 pm
	7th Grade & New Student Orientation	5:30 pm
September 8	First Day of School	
October 8	HS/MS Picture Day

SUPPORT ARCADIA ATHLETES

A Kroger Community Rewards account has been set up to benefit all athletes at Arcadia. Kroger will return 1% of your purchases just by using your Kroger Plus card! Easiest fundraiser ever!

Here's how you do it:

- You need a Kroger's Plus card AND your account set up online at <u>www.kroger.com</u>
- Click on the "community" tab
- Click on "community rewards"
- Enroll Arcadia Athletic Department, organization # 97956 as the recipient of your rewards
- Then shop at Kroger with your Plus card!
- Tell your friends and relatives to sign up!

- 5—Technology Coordinator
- 6—MS/HS Guidance Counselor
- 7—Security/Athletic Director
- 8—Maintenance
- 9—Food Service Supervisor

Please leave a voicemail if your call is not answered and someone will get back with you as soon as possible.

Search for Children with Disabilities

School districts across the state of Ohio are participating in an effort to identify, locate, and evaluate all children from birth through twenty-one years of age who may have disabilities. Disability, in this instance, means such conditions as hearing impairments, speech or language impairments, visual impairments, specific learning disabilities, multiple disabilities, mental retardation, emotionally disturbed, other health impairments, autism, traumatic brain injury, and physical impairments.

Public schools have responded vigorously to federal and state mandates requiring the provision of a free appropriate public education regardless of a child's disability. But before school districts can serve children, they must be found. Many children with disabilities are not visible because they do not function in the mainstream of the community, such as children who are homeless and children of migrant families. Also, many unidentified children with disabilities are preschoolers. Parents may not be aware their child has a disability or that there are programs and services available.

The school district will ask for information about the child, asking such questions as: What is the problem? What has already been done about the problem? What background information is available? This information may be collected in several ways including interviews, observations, screening, and testing. This information may be obtained from parents and the student, or from other agencies that have information about the student. This information will be used to decide whether the child has a disability and needs special services.

All information collected will be held in strict confidence and released to others only with parent permission or as allowed by law. For example, the school district will send records on request to a school district or other educational agency in which a student intends to enroll. The parents may have a copy of those records upon request.

The school district will keep a record of all persons who review confidential records with the exception of authorized school employees, or other educational agency personnel. The school will also maintain a list of those employees who may have access to records.

The school district or other educational agency will inform the parents when personally identifiable information collected, maintained, or used is no longer needed to provide educational services to the child. All personally identifiable data will be kept for at least five years or longer if required for audit purposes, or otherwise required by law.

Parents and students have rights in this process. Parents have the right to:

• Review their child's records;

- Refuse permission to release information (except as required by or permitted by, law to be released); and
- Request that information they believe to be inaccurate, misleading, or in violation of their child's privacy or other rights be changed. The district has a process to resolve disagreements about information collected.

The school district has appointed one person to make sure that information about students is kept confidential. Contact your school district board of education office for this person's name. The school district's policies and procedures for special education are available. Contact the school district superintendent.

The school district operates an Educational Management Information System (EMIS) that assures a practical method of identifying which children are currently receiving special education services and which children are not. Certain data regarding children are maintained within this system.

School districts are interested in meeting the needs of children with disabilities. If you have or know of a child who may have a disability, contact your local school for more information and help.

IDEA-B FUNDS

The Arcadia Local Schools will once again be receiving Title VI-B Funds for the 2020-2021

This allocation is earmarked to help pay for the special education services Arcadia students receive through the Hancock County Educational Service Center. The school system would like to continue to use its IDEA-B money for this purpose.

If you have any questions or comments pertaining to the use of these funds or our special education programs, please contact the superintendent's office at 419-894-6431.

HOMELESS STUDENTS

Children who meet the Federal definition of "homeless" will be provided a free and appropriate public education in the same manner as all other students of the District. To that end, homeless students will not be stigmatized or segregated on the basis of their status as homeless and will be assigned to the school serving those non-homeless students residing in the area in which the homeless child is actually living. No homeless student will be denied enrollment based on a lack of proof of residency. No Board policy, administrative guideline, or practice will be interpreted or applied in such a way as to inhibit the enrollment, attendance, or school success of homeless children.

Homeless students will be provided services comparable to other students in the District including:

- transportation services;
- educational services for which the homeless student meets eligibility criteria including services provided under Title I of the Elementary and Secondary Education Act or similar State and local programs, educational programs for children with disabilities, and educational programs for students with limited English proficiency;
- programs in vocational and technical education;
- programs for gifted and talented students; and
- school nutrition programs.

If you need further information, please contact Bruce Kidder at 419-894-6431.

Student Records and Directory Information

In order to provide students with appropriate instruction and educational services it is necessary for the District to maintain extensive educational and personal information. It is essential that pertinent information in these records be readily available to appropriate school personnel, be accessible to the student's parent(s) or the student in compliance with law, and yet be guarded as confidential information.

The Guidance Counselor is responsible for the proper administration of student records in keeping with Ohio Law and Federal requirements and the procedures for the collection of necessary information about individual students throughout the District.

Upon request, all records and files included in student's cumulative file are available to parent(s) or the student (if he/she is over eighteen years of age). This request must be in writing and is granted within even calendar days. No records are to be removed from the school; principal, teacher or other qualified school personnel must be present to explain an of the tests or other material.

All rights and protections given to parents under law and this policy transfer to the student when he/she reaches age eighteen or enrolls in post secondary school. The student then becomes an "eligible student".

The District provides notice to parents and eligible student annually, in accordance with the procedures set forth under administrative regulations, of the rights held by parents and eligible students under law and this policy. It is the intent of the District to limit the disclosure of information contained in the student's education records except by prior written consent, as directory information, and under other limited circumstances as enumerated under administrative regulations.

The following rights exists:

- the right to inspect and review the student's education records;
- the right, in accordance with administrative regulations to seek to correct parts of the student's education records, including the right to a hearing if the school authority decides not to alter the records according to the parent(s) or eligible student's request;
- the right of any person to file a complaint with the U.S. Department of Education if the District violates relevant Federal law, specifically the Family Education Rights and Privacy Act (FERPA); and
- the right to acquire information concerning the procedure which the parent(s) or eligible student should follow to obtain copies of ٠ this policy, the locations from which copies may be obtained, as well as any fees to be charged for such copies.

The District proposes to designate the following personally identifiable information contained in a student's education records as "directory information"

- Student's name:
- Student's address:
- Student's photograph;
- Student's date of birth;
- Student's extracurricular participation; and
- Student's weight and height, if a member of an athletic team.

The above information is disclosed without prior written consent, except when the request is for a profit-making plan or activity.

Administrative regulations set forth a procedure for annual notification to parents and eligible students of the District's definition of directory information. Parents or eligible students then have two weeks in which to advise the District, in accordance with such regulations of any or all items which they refuse to permit as directory information about that student.

To carry out their responsibilities, school officials have access to student education records for legitimate education purposes. The District uses the criteria set forth under administrative regulations to determine who are "school officials" and what constitutes "legitimate educational interests:

Other than requests as described above, school officials release information from or permit access to, a student's education records only with the prior written consent of a parent or eligible student except that the Superintendent or a person designated in writing by the Superintendent may permit disclosure in certain limited circumstances outlined under administrative regulations (e.g., transfers to another school district or to comply with judicial order or subpoena or were warranted, in a health or safety emergency, etc.).

The District maintains, in accordance with administrative regulations, an accurate record of all request to disclose information from, or to permit access to, a student's education records and of information disclosed and access permitted.

Visitor Policy

When visiting Arcadia School during school hours, we ask that all visitors use the main entrance, facing Route 12. All other doors in the building are locked. Please 'buzz in' to the appropriate office, then proceed to that office for a visitors pass.

Thank you for your cooperation in helping us to maintain a safe environment for our students and staff.

Mission Statement

The mission of Arcadia Local School is to guarantee all graduates the knowledge and skills to succeed in an ever-changing world.

This will be accomplished by providing an enriched curriculum through innovative and individualized instruction delivered in an outstanding learning environment by a highly qualified staff in partnership with families and community.

Arcadia Board of Education:

Eric Metcalfe, President Corey Boes, Vice President Lindsey Boes Ryan George John Sparks School Delay, Emergency, Closing Information Weather delays and cancellations are a part of our daily routine during the school year. Just a reminder that the safety of our students is our primary consideration when we delay or cancel school or an activity. We will try to have our decision made by 6:15 a.m. The following stations will be notified of the decision: WFIN-WKXA (1330/100.5) WBVI-WFOB (96.7/1430) WBUCK-WCKY-WPFX-WTTF (106.3/103.7/107.7/1600) TV Channel 11 TV Channel 13 TV Channel 24

The PreK-12 phone notification system will provide immediate information should a weather or emergency event occur. You may update your contact information at any time by calling1-800-846-4976 from your primary phone number.
