B.T. CARING CUPBOARD

The B.T. Caring Cupboard is located in the back of the high school library and is stocked with a variety of items for students. ANYONE in need of items can simply open the cupboard and get items they need during the day, evening or weekend.

We want to continue this opportunity for students in the memory of Mrs. Tidd for her dedication, generosity and thoughtfulness throughout her years at Arcadia.

If you would like to donate items, please send them to the office, Kim Jordan or Keisha Holtsberry. The following is a list of items we collect. The National Honor Society will be helping with this project.

Notebook paper
Pens / pencils
Granola bars
Bottled water
Snack size chips / crackers

Feminine hygiene products
Toothpaste / toothbrushes
Deodorant
Shampoo
Hair brushes / combs

Thank you in advance for your donations.

Arcadia Community,

Superintendent's Report

from Dave Golden

I hope this update finds you enjoying the summer months. Over the past year, we have been busy here at the school working to maintain as well as enhance school experiences for everyone. There has been much done from the maintenance of our facility as well as our day to day operations. One of these highlights is the completion of our Strategic Plan. The spring and early summer was spent in writing goals and developing action steps to achieve these goals. It is important to remember this is a working document which will be reviewed and updated over the next five years. The plan will be adjusted as goals are met and new needs arise. On behalf of the Board of Education and myself, we would like to thank everyone involved for their tireless work in the development of this plan as well as for the ongoing work and execution of it. The entire plan can be found on the homepage of the school website at (www.arcadiaschools.org). I encourage you to visit our site and take a look at it.

Throughout this past year we have also been busy with the upkeep of our facilities. The following is a list of maintenance projects:

Replaced exterior gymnasium doors	Rebuilt elevator controls
Replaced horizontal waste lines, 1954 addition	Replaced tile in hallway, 1976 addition
Replaced waste lines above elementary office, 1954 addition	Replaced flooring in elementary office
Replaced carpet, tile and cabinets in two classrooms, 1976 addition	Replaced flooring in press box

The following are in the planning phase:

Developing roof maintenance / replacements	Replacement of wall padding in gymnasium
Developing grounds maintenance processes	Building a greenhouse
Replacement of hallway gymnasium doors	

In conclusion, I am greatly anticipating the start of a new school year without Covid restrictions. We are however planning to continue our sanitizing / hygiene practices for this coming year as it is best practice for keeping students and staff in school.

A HUGE thanks goes out to our custodial / maintenance staff for working so hard this summer. It is sometimes very difficult to work around and adjust schedules with all the activities. **THANK YOU!**

Enjoy the rest of your summer!

Dave

Greetings Arcadia Elementary School Families,

Welcome Back!

I hope you are enjoying a wonderful summer. I also hope you are relaxed, recharged and ready to start a new school year. I am so delighted that you are part of our amazing learning community. I welcome and value your positive energy and dedication to excellence in education, and I look forward to working with you and your children.

All signs point to another incredible and productive school year. Our skilled and devoted staff is already planning and preparing for your child(ren). Our enthusiastic office team is registering new families, ordering needed materials and updating student files. Our hard working and conscientious custodians have spent the entire summer thoroughly cleaning the facility. And, our much-appreciated PTA is gearing up to welcome families, provide volunteer opportunities, and offer other exciting events and programs. We are indeed a caring community with the common goals of nurturing Respectful, Responsible, Redskins and promoting high-level learning.

New Staff

Each year brings positive change. This includes a few additions to our staff. We are delighted to welcome Jessica Haught, Katie Mankin and Janis Griffin to our family. Jessica will be the new First grade teacher, who is replacing Mrs. Lauck. Mrs. Plesec moved from Fifth grade back to Junior High, which allowed us to bring in Katie. Janis will be our new elementary music instructor, replacing Mr. Fullenkamp. Unfortunately we were recently made aware that one of the third grade teachers would not be returning and are looking to fill that position before the beginning of the year.

Facilities Update

The preschool classroom and music classroom were overhauled this summer to match the second and third grade classrooms. The orange hallway flooring downstairs was replaced with new flooring and the lockers in that same hallway were replaced with cubbies. All of the walls were given a fresh coat of paint as well.

Student Placement

A great deal of time, effort and thought has gone into the process of student placement for the 2022-2023 school year.

Careful consideration was given to input from staff and families as well as student learning styles. Classrooms have been balanced academically and socially. Our class lists are structured to provide equitable class sizes at each grade level. Moving students is difficult without causing imbalances and inequities. Class lists can be found outside of your teachers classroom at open house, as it was last year. This "scavenger hunt" allows you to become familiar with the building as well as interacting with other staff members in the building.

Thank you so much for being positive with your child and helping him or her understand that it is impossible to place all students with a preferred best friend or teacher. ALL of our staff works hard to make school a positive experience for ALL students. Arcadia's staff is eagerly looking forward to enriching your child's life. Thank you for understanding that it can take a few weeks for a child to acclimate to a new grade, peer group and teacher.

Your commitment to ensuring that Arcadia remains a celebrated and successful school is awe-inspiring. I look forward to greeting students and families at our open house on August 30th from 4:00-6:00. It remains an honor and privilege to serve as your principal. Please stop by and say hello. Together, I know we will make this school year one of growth and achievement for all children.

Go Redskins!
Sincerely,

MAKE CHECKS PAYABLE TO: Arcadia Athletic Department

Mail to: Arcadia Local School, 19033 SR 12, Arcadia, OH 44804 or drop off in the central office, elementary or high school office. If you have questions, please contact Ethan Percer at percere@arcadiaschools.org.

Please Notify Us!

Please report any changes in address and/or phone numbers to the school as soon as possible. You can call the grade level office or make the change yourself in Final Forms. We need to maintain the most current information on each student. Please help us by notifying us of any changes that take place. This guarantees that all correspondence from the school reaches your home as quickly as possible. Many people are opting to use their cell phones as their main line. If you no longer have a 'land line', please let us know.

If you move within or out of Arcadia School district, we need to know this as soon as it happens. Your cooperation with this is greatly appreciated! We need to be able to contact you in the event of emergencies or notices that effect your children.

Arcadia Local Schools Families,

Arcadia Schools is partnered with FinalForms, an online forms and data management service. **FinalForms allows you to complete and sign all annual enrollment and athletic participation forms for your students online.**

FinalForms saves data from year-to-year; however, parents and students will need to review and update your information at the beginning of each school year to verify the information is current and sign the forms. If you have not received an email from FinalForms requesting you to update your forms, the district may need to update your email. Email your new email address to Mr. McKee @ mckee@arcadiaschools.org along with each of your students name(s).

Remember to update information (address, phone, emergency medical, etc.) as it happens.

Only ONE parent/guardian will need to register and use FinalForms. In the case of dual parent residences, each parent can have separate accounts. Email Mr. McKee at mckee@arcadiaschools.org for more information. **We will be communicating through your email for anything outstanding as well as special announcements.**

Please register at – <https://arcadia-oh.finalforms.com> now and electronically complete ALL forms!

For grades 7-12: If your student is participating or will be in a sport this year, please indicate which sports on the students account. All sports forms will then be available for you to complete. The actual sports physical paperwork should be handed in to the **Athletic Director**.

Thank you for your assistance in streamlining our paperwork processes at Arcadia Schools!

PreK-12 Notification System

Arcadia School will once again use the school-to-family communications service called **PreK-12 Notification**. We will use this service to deliver both emergency and non-emergency messages to you via telephone for 2022-2023 school year. Using PreK-12 Notification, we can quickly contact all families - in a matter of minutes - with urgent news such as school closings, early dismissals, delayed buses or rescheduled activities. We will also use the service to provide timely non-emergency information such as reminders about important meetings or special events at school that involve your children. In the case of school closings, this service is meant to be a compliment to the existing means of communications, TV stations, radio stations, etc. We will continue to utilize ALL of these mediums in the event of a school closure and/or delay.

Your primary phone number will be supplied to PreK - 12 Notification Service. Each family may add up to four telephone numbers. In the case of an emergency, the message will be delivered to all numbers listed.

Families that wish to include additional phone numbers may do so by calling the PreK-12 Notification Parent Hotline at 1-800-846-4976. For security reasons, you must call from your primary phone number to manage your personal emergency contact list.

Please verify that your information on file with PreK-12 Notification is correct.

PLEASE return the free/reduced meal application that will come home with each student. If a family qualifies as free meals through this application, they will also have free fees. If you have any questions, please call 419.894.6431 option 4

The USDA did NOT extend the FREE full breakfast and lunch everyday for all students. Students will be charged full price unless a free/reduced application is received. Keep in mind if circumstances change throughout the year, feel free to update and submit a new application.

PHONE SYSTEM

HIGH SCHOOL / MIDDLE SCHOOL FAMILIES:

Welcome back students and staff for the 2022-23 school year. I hope everyone is enjoying their summer break. Before we start the new year there are several topics that I would like to share with students and parents.

I would like to introduce and congratulate several new staff members who are joining the high school and middle school staff. Jolene Johnson will be teaching Family & Consumer Sciences, Janis Griffin is our new Vocal Music instructor, Carrie Plesec has moved up from the elementary to take over as our MS Language Arts teacher and Erin Trout will be the new HS/MS secretary. I am very excited for these individuals to begin working with our students and parents. Please join me in welcoming them to Arcadia High School / Middle School.

Back to School/Schedule Pick Up will start at 11:00 am on Tuesday August 30. Students will be able to pick up schedules, pay school fees, put items in their lockers and locate their classes. Our 7th grade and New Student orientation will take place on Tuesday, August 30 to welcome students into the building for the 2022-23 year. At 6:00 pm incoming 7th grade students and any new students to the school are invited to attend an orientation meeting to introduce them to Arcadia HS/MS. More information will be forthcoming via Final Forms.

As the 2022-23 school year begins, I want to wish our students and staff the very best of luck this year. I would like to officially congratulate the senior class of 2023 for your past successes and hope for a great senior year for all.

Finally, there are several dates of importance to place on your calendars.

August 4	Fall Sports Picture Day
August 10	Fall Sports Meet the Teams held at the Community Center
August 30	(Schedule Pick Up & Fee Payment) 11:00-5:00 pm
	New Student/7 th Grade Orientation 6:00 pm
September 6	First Day of School
October 4	K-12 Picture Day

I am looking forward to another great year. At any time, if any student or parent has a question regarding the activities that take place at our school, please do not hesitate to contact the classroom teacher or our office.

Bill Dobbins
Principal

HOMELESS STUDENTS

Children who meet the Federal definition of "homeless" will be provided a free and appropriate public education in the same manner as all other students of the District. To that end, homeless students will not be stigmatized or segregated on the basis of their status as homeless and will be assigned to the school serving those non-homeless students residing in the area in which the homeless child is actually living. No homeless student will be denied enrollment based on a lack of proof of residency. No Board policy, administrative guideline, or practice will be interpreted or applied in such a way as to inhibit the enrollment, attendance, or school success of homeless children.

Homeless students will be provided services comparable to other students in the District including:

- transportation services;
- educational services for which the homeless student meets eligibility criteria including services provided under Title I of the Elementary and Secondary Education Act or similar State and local programs, educational programs for children with disabilities, and educational programs for students with limited English proficiency;
- programs in vocational and technical education;
- programs for gifted and talented students; and
- school nutrition programs.

If you need further information, please contact Dave Golden at 419-894-6431.

Search for Children with Disabilities

School districts across the state of Ohio are participating in an effort to identify, locate, and evaluate all children from birth through twenty-one years of age who may have disabilities. Disability, in this instance, means such conditions as hearing impairments, speech or language impairments, visual impairments, specific learning disabilities, multiple disabilities, mental retardation, emotionally disturbed, other health impairments, autism, traumatic brain injury, and physical impairments.

Public schools have responded vigorously to federal and state mandates requiring the provision of a free appropriate public education regardless of a child's disability. But before school districts can serve children, they must be found. Many children with disabilities are not visible because they do not function in the mainstream of the community, such as children who are homeless and children of migrant families. Also, many unidentified children with disabilities are preschoolers. Parents may not be aware their child has a disability or that there are programs and services available.

The school district will ask for information about the child, asking such questions as: What is the problem? What has already been done about the problem? What background information is available? This information may be collected in several ways including interviews, observations, screening, and testing. This information may be obtained from parents and the student, or from other agencies that have information about the student. This information will be used to decide whether the child has a disability and needs special services.

All information collected will be held in strict confidence and released to others only with parent permission or as allowed by law. For example, the school district will send records on request to a school district or other educational agency in which a student intends to enroll. The parents may have a copy of those records upon request.

The school district will keep a record of all persons who review confidential records with the exception of authorized school employees, or other educational agency personnel. The school will also maintain a list of those employees who may have access to records.

The school district or other educational agency will inform the parents when personally identifiable information collected, maintained, or used is no longer needed to provide educational services to the child. All personally identifiable data will be kept for at least five years or longer if required for audit purposes, or otherwise required by law.

Parents and students have rights in this process. Parents have the right to:

- ◆ Review their child's records;
- ◆ Refuse permission to release information (except as required by or permitted by, law to be released); and
- ◆ Request that information they believe to be inaccurate, misleading, or in violation of their child's privacy or other rights be changed. The district has a process to resolve disagreements about information collected.

The school district has appointed one person to make sure that information about students is kept confidential. Contact your school district board of education office for this person's name. The school district's policies and procedures for special education are available. Contact the school district superintendent.

The school district operates an Educational Management Information System (EMIS) that assures a practical method of identifying which children are currently receiving special education services and which children are not. Certain data regarding children are maintained within this system.

IDEA-B FUNDS

The Arcadia Local Schools will once again be receiving Title VI-B Funds for the 2022-2032

This allocation is earmarked to help pay for the special education services Arcadia students receive through the Hancock County Educational Service Center. The school system would like to continue to use its IDEA-B money for this purpose.

If you have any questions or comments pertaining to the use of these funds or our special education programs, please contact the superintendent's office at 419-894-6431.

Student Records and Directory Information

In order to provide students with appropriate instruction and educational services it is necessary for the District to maintain extensive educational and personal information. It is essential that pertinent information in these records be readily available to appropriate school personnel, be accessible to the student's parent(s) or the student in compliance with law, and yet be guarded as confidential information.

The Guidance Counselor is responsible for the proper administration of student records in keeping with Ohio Law and Federal requirements and the procedures for the collection of necessary information about individual students throughout the District.

Upon request, all records and files included in student's cumulative file are available to parent(s) or the student (if he/she is over eighteen years of age). This request must be in writing and is granted within even calendar days. No records are to be removed from the school; principal, teacher or other qualified school personnel must be present to explain any of the tests or other material.

All rights and protections given to parents under law and this policy transfer to the student when he/she reaches age eighteen or enrolls in post secondary school. The student then becomes an "eligible student".

The District provides notice to parents and eligible student annually, in accordance with the procedures set forth under administrative regulations, of the rights held by parents and eligible students under law and this policy. It is the intent of the District to limit the disclosure of information contained in the student's education records except by prior written consent, as directory information, and under other limited circumstances as enumerated under administrative regulations.

The following rights exist:

- the right to inspect and review the student's education records;
- the right, in accordance with administrative regulations to seek to correct parts of the student's education records, including the right to a hearing if the school authority decides not to alter the records according to the parent(s) or eligible student's request;
- the right of any person to file a complaint with the U.S. Department of Education if the District violates relevant Federal law, specifically the Family Education Rights and Privacy Act (FERPA); and
- the right to acquire information concerning the procedure which the parent(s) or eligible student should follow to obtain copies of this policy, the locations from which copies may be obtained, as well as any fees to be charged for such copies.

The District proposes to designate the following personally identifiable information contained in a student's education records as "directory information"

- ◆ Student's name;
- ◆ Student's address;
- ◆ Student's photograph;
- ◆ Student's date of birth;
- ◆ Student's extracurricular participation; and
- ◆ Student's weight and height, if a member of an athletic team.

The above information is disclosed without prior written consent, except when the request is for a profit-making plan or activity.

Administrative regulations set forth a procedure for annual notification to parents and eligible students of the District's definition of directory information. Parents or eligible students then have two weeks in which to advise the District, in accordance with such regulations of any or all items which they refuse to permit as directory information about that student.

To carry out their responsibilities, school officials have access to student education records for legitimate education purposes. The District uses the criteria set forth under administrative regulations to determine who are "school officials" and what constitutes "legitimate educational interests":

Other than requests as described above, school officials release information from or permit access to, a student's education records only with the prior written consent of a parent or eligible student except that the Superintendent or a person designated in writing by the Superintendent may permit disclosure in certain limited circumstances outlined under administrative regulations (e.g., transfers to another school district or to comply with judicial order or subpoena or were warranted, in a health or safety emergency, etc.).

The District maintains, in accordance with administrative regulations, an accurate record of all request to disclose information from, or to permit access to, a student's education records and of information disclosed and access permitted.
