Old Business

Trip: Brandon will make final schedule and forward it on, Jodie will get it to Bliss Charter. Everyone will be advised to bring snacks or eat big before we go. We will eat at the Dayton Mall food court after the performance.

Tractor: No update but if Jodie takes it off the agenda she will forget it

Roads 2 Riches: 2 winners paid out so far.

New Business

Secretary vote: Jeralee has submitted her resignation, Jamie was nominated via group text by Jodie, Arlene motioned to accept, Mary 2nd, motion passed. Vote was taken at meeting and Jamie Watson was unanimously voted in as Secretary.

New Members: We have a dire need for parents to step up and become involved. A discussion for recruiting included letters included in programs at Spring concert, giveaways, parents meeting and big push at band camp.

Move for Music: Band camp has been moved due to conflict with Ohio State Fair Band week being moved. New date for M4M will be the last Friday in July. Labels will go out Monday the 16th of May. It will be mentioned at both concerts. Labels need to be turned in by Friday the 20th to be counted as on time. This will give us time for late turn ins.

Will be treating it as a festival, family time event. It will be advertised as such. Looking into Kona Ice again, Bouncy house, raffle, gift baskets, duck pond, sand box with small toys, dunk tank, games, hot dog eating contest and donation box at the event.

Director's Comments

James: wants to talk less at concerts, likes kids reading about pieces and will attempt not to drop his baton again. Large group this Saturday. Will be stopping at Happy Daze in Lima and hoping to not see a repeat of the dumpster fire this year. Spring Concert will be something Jazzy/Swingy. Dr. Couch from Bluffton University came to work with the kids recently and he is working on retention with Jr. High for Marching Band.

Brandon: Looking forward to Cabaret and is helping with the website and perfecting trip schedule.
