Old Business

Spring Trip

- Discussions on the best date/time to take 28 band students and 1 additional choir student to the Rock and Roll Hall of Fame. James created a survey during the meeting and sent to the students, asking them if they feel like there is too much going on the last part of May.
- How to handle meals? **Jodie will check with Kroger on making subs**
- Boosters will handle the entire cost of this trip
- May 23rd is the tentative date; Sunday hours are 9-5
- Race for Education is also in May
- **Jodie will check on charter bus options for transportation**

Shirts for Seniors

- Cannot do the current invitation artwork since there are so many colors. **James will ask Jason to design a senior shirt.**

Move for Music

- After lengthy discussion, the boosters decided that this fundraiser can be held during the Parent Show on the last night of band camp. It had been successful in the past when held on this date. By this time, we may actually be able to have people in attendance rather than holding the fundraiser virtually.
- Due to this change, Roads to Riches can be done for the month of June. Arlene received the printing details from Kandy. This will not interfere with the softball/baseball teams doing this fundraiser for the month of May.
 - R2R cards can be handed out to parents during Cabaret (April 22-24)

New Business

Spring Awards

- Awards have been ordered
- Senior parents will decorate for the banquet
- Invitations can be created and sent for this
- Check on the community center – May 25th is the date

Directors' Comments

James –

- High School
 - Band camp is tentatively scheduled. HS Students have been helping the 6th grade students, with the expectation that many of them will join marching band next year.
 - New color guard coach – Keisha Holtsberry
 - Rose Koehler has reached out to teachers/administrators for support

Brandon –

- Choir recording has been sent to other directors for feedback
- Choir will be recording for a local church service
