Directors' Comments & Additional discussions

Band Shirts – would like to get the artwork designed and order sooner rather than later. Would Jen Sowders be interested in designing something for us in the future?

Summer Uniforms:

- James has requested a red polo shirt w/logo; dri-fit/athletic mesh. Vendor and process will need to be chosen.
- Khaki shorts – students will provide their own
- James will issue a uniform request on Day 1 of Band Camp
- Black Drillmaster shoes will still be required

Old marching drumline was sold for \$300 – this went to the school

Received \$100 donation for the boosters

Gabe – needs to pay the licensing fees before any music can be arranged or used.

Jeralee motioned to pay \$2,142.40 for the licensing fees for this year's marching band show. Mary 2nd. Passed

Future fundraising ideas:

- Pie Tent – plan this early enough for Homecoming weekend
- Cookie Walk
- Poinsettias – may need to find a new vendor if Bench's will not accept us
- Chicken Dinner

**Need to review future planned expenditures for uniforms and marching band expenses. Considering slightly raising school fees.
